

THE 2025/2026 LIN HOWE
WELCOME PACKET

WELCOME BACK FAMILIES!

We want to extend our warmest welcome as the school year begins and we return to school. Whether you're a new family coming to Lin Howe for the first time or your child is returning to campus, we are looking forward to welcoming you!

We hope this packet helps you navigate your child's time here at Lin Howe. In the following pages, you'll find information about our PTA organization, safety on campus and a helpful glossary of our Lin Howe ABC's to explain the ins and outs of the daily Sea Dragon experience.

We are always looking for parent volunteers to enhance and support life at Lin Howe. Whether you want to volunteer a lot or a little, we will help find the spot that's right for you. We have many opportunities to volunteer - we need your support to make our school a place that is welcoming to all and full of community building opportunities.

Anyone hoping to volunteer on campus in any capacity must be a cleared volunteer. Please see the Safety On Campus page for details on how to become a cleared volunteer.

We want all families to be informed throughout the school year in order to stay connected to what is happening at Lin Howe. You can stay up to date in many ways: · Mr. Chabola's weekly email updates (the Sea Dragons' Diary)

- Downloading the ParentSquare app (available for free for iOS and Android devices) · Attending monthly PTA meetings
- Joining the 'Linwood E. Howe PTA & School Community' page on Facebook (closed Facebook page for Lin Howe families)
- Checking out our school webpages:
 - linhowe.ccusd.org

Linwood Howe is outstanding because of all of our combined efforts. We would love to have you involved in any way you are able. Welcome to Lin Howe!

SUPPORTING LIN HOWE

The Lin Howe Parent Teacher Association (PTA) and Culver City Education Foundation (CCEF) fund and run numerous programs and activities that enrich every student's academic and social experience.

The Lin Howe Parent Teacher Association (PTA)

The Lin Howe PTA is a unit of the California and National PTA and is made up of parent volunteers and school staff. Our PTA funds Lin Howe's class field trips, assemblies, classroom supplies, classroom libraries, the Lin Howe school library, school beautification, physical education equipment, as well as district wide outreach programs (backpacks program and community school fund for college scholarships). The PTA also plans, funds and runs numerous social and educational events including Family Fun Nights, book fairs, Lin Howe's Got Talent, programs supporting equity, yearbook and the Dragon Wagon walking school bus program. We also have three subcommittees: the Committee for Equity, the Special Education PTA Committee, and the Green Team.

The PTA is able to fund these things through support of our one and only annual fundraiser, [Raise Craze: Kindness Fundraiser](#). Students pay it forward for donations received by completing acts of kindness. Not only does this fundraiser support our PTA and school, but it encourages our students to give back to others. Raise Craze kicks off every Fall - look for more information in the Dragon Diary and school-wide communications.

Joining the PTA costs only \$7 per member and anyone in your family can join - parents, students, grandparents, etc. We encourage you to "round up" to \$10 to cover your membership and support the various programs our PTA supports. You can join PTA during our Membership Drive, or join easily today on our website: linhowepta.com or at jointotem.com/ca/culver-city/lin-howe-pta/join

Culver City Education Foundation (CCEF)

Culver City
Education Foundation
Every Student. Every School. Every Day.

CCEF is the only nonprofit organization dedicated to serving every

student at every CCUSD campus, raising money for highly-valued educational programs and teaching innovations that would not be possible through government funding alone. CCEF funds districtwide arts & STEM education programs that promote academic success, fostering equity across all of the schools.

At the elementary schools, CCEF helps to fund things like Pali Institute Science Camp (for every 5th grader), Symphonic Jazz Orchestra, Growing Great, Arts & Innovations Labs, Front & Center Theater Collaborative, Recorders, Mathletes, Spelling Bee and Ukulele Music Education. CCEF is only able to fund these vital programs with community support. Visit <https://ccef4schools.org/> to learn more or to donate.

SAFETY ON CAMPUS

Lin Howe strives to create a place where everyone is safe, welcome and supported. It's our belief that every student should feel emotionally and physically safe at school, which takes every community member's support.

COVID POLICIES

Lin Howe stays up to date with all current COVID protocols and will communicate new and relevant information directly to families. Since this information changes often, please refer to emails from Mr. Chabola, the district and School Board for all accurate information.

ON CAMPUS SAFETY

Cafeteria, hallway and playground expectations are explained to students at the beginning of the year and reviewed with students periodically. All rules and expectations are embedded in the P.R.I.D.E. expectations of Perseverance, Respect, Inclusion, Determination and Empathy. In addition to reinforcing the character traits at home, parents can remind students to keep their hands, feet and objects to themselves, no play fighting, and to treat others as you would want to be treated.

With over 550 students on campus, we know there will occasionally be hurt feelings and conflicts. When this occurs, students are encouraged to use "I messages" and utilize strategies that are taught at the beginning of the year for managing conflict. When appropriate, students are also encouraged to tell the nearest adult, see the school counselor, or notify the principal.

ON CAMPUS VISITORS

Anyone hoping to volunteer on campus in any capacity must be a cleared volunteer (please confirm current policy before you volunteer). To become a cleared volunteer, you must submit an application through CCUSD which includes passing a TB screening and getting fingerprinted. Visitors must present a photo ID which is scanned and checked against a Megan's Law database. More information can be found [here](#).

Parents and students are encouraged to greet each other outside of the entrance gates, however parents are not allowed inside the gates to the school area.

EMERGENCY PREPAREDNESS

Lin Howe has detailed plans for fire, earthquakes, lockdowns and shelter in place emergencies and students and staff regularly participate in drills for each scenario. When practicing for lockdowns, your child's teacher will explain it in an age-appropriate way to ensure students understand the seriousness without creating anxiety or fear.

Finally, and most importantly, if you see something, say something. Campus safety takes everyone being vigilant.

LIN HOWE FROM A TO Z

This is a simple reference guide that quickly describes what each of our Lin Howe events and programs are. We hope it's helpful as you navigate life at Lin Howe!

Information about classes, cost, and signing up is sent home with each student and can also be found [here](#).

This parent only event takes place during the second full week of school. It's an important time where parents can learn more about their child's classroom experience and hear from their teacher about the coming year.

Beautification Day

Held two times throughout the school year and organized by the Green Team, Beautification Day is when Lin Howe families come together on a Saturday or Sunday to help keep our school looking great. There's always plenty to do including tasks like planting, painting, and picking up garbage. It's a fun way to get involved and care for our campus.

Book Fair

Lin Howe PTA hosts two Book Fairs during the school year. Load up your kids' brains with amazing books - all proceeds go directly back to buying books for our school library! The Book Fair takes over the whole library and each class visits the Fair during school hours. Parents and family members are welcome to visit the Book Fair after school.
